

Hi Year 4,

My name is Mrs Greig and I am really looking forward to teaching and getting to know you all this year.

I will be teaching you from Tuesday to Friday.

I live in Wollaton with my husband Paul. We have two grown up children called Kieran and Amy.

Kieran, after all his studying at university is an English teacher in a Secondary School in

Derby. Amy is very creative and has an honours degree in Fashion Design. She is now pursuing her career in the fashion industry in London. I am very proud of them both.

I was born in Scotland and I'm sure you will notice my accent. I still have lots of family and friends there and try to visit a couple of times a year. It makes me feel really happy when I cross the border.

In my spare time I love reading, watching films and spending time with my friends and family. I enjoy cooking and baking and especially trying out new recipes.

Walking is another passion of mine and I enjoy walking most weekends and during the holidays. I live near Wollaton Park and love going for a stroll there at least once a week. Here is a photo of a deer I spotted near the lake. I think he was cooling down from the heat.

I am really looking forward to all the amazing books we will be reading together in Year 4, not to mention all the topics in Geography and History and Science. Maths is also one of my favourite subjects and I hope it will be yours too if not at the start of Year 4 certainly by the end. Have a wonderful summer and can't wait to see you at the beginning of what will be a fantastic time in Year 4!
