

Mr O' Donnell

Hi everyone, my name is Mr O' Donnell and I'm really looking forward to being your class teacher in September!

Background

I have been a teacher for over ten years and, before coming to Nottingham, I taught in London as well as British international schools in China and Taiwan. I have taught in Year 4 many times previously and am really looking forward to getting started on our exciting curriculum!

Family

I live with my wife and two daughters: Isabel, who is 4 and Sophia who is 1 – they are a constant source of mischief and fun! We also have a dog called Xioabai, who we adopted when we lived in China. In English, her name means 'little white' - she is very calm, loving and quite unique. She has one blue eye and one black eye!

Hobbies

I am a great lover of sport and love to run, cycle and swim. I was lucky enough to run a race around the streets of London recently and even ran past Big Ben and the London Eye! I enjoy reading for pleasure and am really excited to read with you as a class in Year 4.

I hope you have a great summer and I look forward to welcoming you back in September!

Our class name will be 4 Da Vinci. Maybe you could do some research on him over the summer.
