

A very big and friendly HELLO to the 2024/25 pupils and parents of our new Year 6 cohort. I'm Mrs Shaw and I'll be your class teacher for 6 Martin Luther King every Monday and Tuesday next academic year, although you may also see me on a Wednesday too working alongside Miss Allen and the Year 6 teachers.

I've been teaching for 24 years, during that time I've been in two other schools, and the vast majority of my class teaching career has been in Year 6 - I absolutely love this year group!

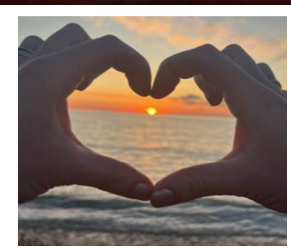

Pupils – preparing you for secondary school and supporting you into becoming confident, grounded and motivated leaders of our school, who meet their potential and more is my goal!

Parents – I have a passion for getting to know every child as an individual and championing them every step of the way; I genuinely can't wait to meet them all!

I live in Tollerton with my husband and three children: Esme who is just completing Year 7, Isaac who is approaching Year 6 and Eliza who has just turned 3 years old and attends playgroup part-time.

As a person, I've always loved sports and performing arts! From Lacrosse to dance, gymnastics to basketball, acting to athletics – they fill me with drive, energy and excitement! But my absolute favourite thing to witness is a sunrise or sunset, to me they are utterly magical and breathtaking! Here's to 2024/25 of making memories to cherish and achieving individual goals and aspirations!

Mrs Shaw
