

# Miss Allen

Hello everyone. My name is Miss Allen and I have been a teacher for over 17 years, the last four have been at St Peter's and I love it here!

One of my favourite subjects is English and I thoroughly enjoy teaching reading and writing. You cannot beat a good book, and I read lots at home. I have been part of a book club- with other teachers and friends- for over 10 years now!

I live in Nuthall with my partner Ash, son Zachary (who is 4 and starts school this

September!) and my poochon called Dougie (half poodle half bichon frise). My dog is super cheeky and always up to mischief! I enjoy going swimming and meeting friends and family for long walks. I love the great outdoors and being

outside, as well as experiencing new places. My partner Ash is a chef, so eating is a big part of our family life. I love trying food from around the world, although I have to say I'm a big fan of both Spanish and Italian cuisine! Although not a great cook, I am quite good at baking-(especially cakes) and I have a real sweet tooth!

**I am really looking forward to teaching again in Year 6. It's a great curriculum and we do some fantastic topics! Have a lovely Summer everyone and see you in September!**
