

Hello everyone, my name is Mrs Allcock and I am a Teaching Assistant and ELSA.

I have worked at St Peter's for 26 years!

I love our school because there are so many exciting opportunities for you all to try while you are with us.

I live with my husband, two children called Megan and Charlie and our dog called Bobby. We enjoy going to Cornwall in the school holidays and having movie nights at the weekend.

I love to read and especially like reading books set in Cornwall. As a child, my favourite book was *The Magic Faraway Tree* by Enid Blyton and I still have a copy of it now.

I also enjoy going to the cinema and theatre and I have been to lots of music concerts too. My whole family support Nottingham Forest so we go to watch them at the weekends.

Have a lovely Summer and I look forward to meeting you all in September.
