

Hello!

Mrs name is Mrs McBrayne and I work in The Den at St Peters. The Den is a special place for learning, team work and fun. I work with groups there lunch time and afternoons.

I live in Beeston with my husband and our two children; my son Harry is eleven and my daughter Emily is nine. I also have a tabby cat called Esme who is very cheeky and likes to bring home mice! I like playing outside with my children, trips to the countryside and being at the beach.

I also love to read and really enjoy sharing stories with children in The Den.

Have a great summer, see you soon!
