

Hello!

My name is Mr Sinclair. You will find me either in the Year 4 classrooms or in our amazing woodland, running our Forest School.

I live in Ruddington with my wife and three children – Rose, Dylan and Eli. They have all been to St Peter's Junior School. I hope you are loving it as much as they did.

Mrs and Mr Sinclair (beard may be a different length in September depending on the weather)

Rose (holding Cup) loved representing the school

They are now at Rushcliffe School and have just begun to beat me at running races but not football or tree climbing.

My wife is a radio presenter and has to get up at 3.45am every morning (103.8FM and DAB Digital Radio). She is always telling the people of Nottinghamshire how fantastic Ruddington is. I agree. I feel very lucky to live in such a fab community, with you.

Otto (Ginnie elsewhere)

I have a dog called Otto who loves everyone and everything, except Pugs and Boxer dogs. He takes me walking in Rushcliffe Country Park every morning. I also have a cat called Ginnie. She does not love Otto.

In my spare time I love to be outdoors - going on adventures with 1st Ruddington Scouts, camping, making fires, jumping in rivers and foraging for wild tea.

Me (jumping into a river)

This summer, I aim to spend as much time possible swimming in the sea and reading lots of books... but not at the same time.

Enjoy your summer. I hope it is full on sunshine. See you in September.
