

Hi everyone. My name's Mrs Wiltshire and I am a Teaching Assistant at St Peters and I can't wait to meet you or get to know you better... It's going to be a great year!

I have been working at St Peters for nearly 10 years. Before I became a Teaching Assistant, I worked in a school as a Cook and before that I had my own Marketing Business. It's definitely been different and never has it been boring!

I live in a small village, not too far from Ruddington, called Cropwell Bishop. It is very famous for cheese, but it's of the stinky variety, which I don't like! I live with my partner Kev and my two children, Charlie aged 15 and Erin aged 12. I also have a cat called Blake, who is 10.

I adore being at the beach, doesn't matter where, I just love the sound of the ocean and the atmosphere of the seaside. I like gardening, though I don't really know what I'm doing! I also enjoy reading and seeing new places.

In school, I run one of our Community Groups – Diversity Defenders. At the moment, we have 44 members, but are always looking for new ones. If you are someone who values diversity and equality, celebrates individuality and wants to tackle unfairness, come along to our next meeting to find out more.

I also run the Mindfulness lunchtime club. They are 15/20 minute sessions, every day but Tuesdays, to meditate, relax and take some time out just for you, during a busy school day.
