

Dear parent(s),

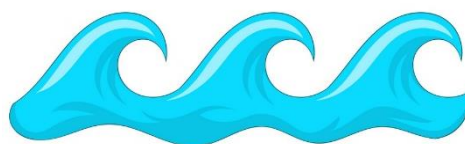

During our visit to Whitby, we are hoping to be able to take the children to the beach on a number of occasions. On some of these occasions we will be paddling in the sea, either in rock-pools or having a bit of fun wave-jumping!

The children are always closely supervised near water, and are not allowed to do more than paddle up to their shins. However, it is vital that we still obtain consent from parents for any water contact.

If you are happy for your child to paddle in the sea as described, please fill out the form below. Children without consent will be kept away from any water activities.

Many thanks
