YEAR 3
SUMMER 2
CURRICULUM FLYER

ENGLISH

In English, we are studying the books 'The Egyptian Cinderella' as well as 'The Story of Tutankhamun.' During this half term, we will be rewriting the fairy tale with an Ancient Egyptian setting.

MATHS

In Maths, we will be learning about Shape, Mass and Capacity. This will involve comparing and measuring mass, volume and capacity as well as beginning to explore temperature.

HISTORY

In History, we are learning all about Ancient Egypt. We will be exploring the importance of the River Nile, finding out about what life was like in Egyptian society, learning about hieroglyphics, what pyramids were used for, who ruled Egypt and who the Egyptians worshipped.

RE

In RE, this half term we are continuing to look at sacred places. We will be looking at similarities and differences between holy buildings and visiting St Peter's Church.

PE

In PE, we will be participating in both athletics and rounders. All pupils will also be participating in a potted sports and traditional sports day races.

ART

This half term, we will be taking inspiration from Georgia O'Keefe, inspired by her close up paintings of flowers and her use of colour tints.

YEAR 3 SUMMER 2

CURRICULUM FLYER

MUSIC

In music, we are learning to play the ukulele. The children will be pluck the strings and strum the chords C and Am in songs and musical games.

SPANISH

In Spanish, our unit this half term is on festivals. During these lessons we will be learning about fiestas including key vocabulary, dates and numbers to 31.

HOW CAN PARENTS HELP AT HOME?

You can support at home by listening to your child to read 4 times a week and recording this in their reading diary. Diaries will be checked in school on Fridays. Spellings will be sent home at the start of each week and tested in school. These spellings are in addition to Y3 curriculum words that the children will be learning at school. Please can you encourage your child to use TT Rockstars on a regular basis to support their speedy recall of times tables facts.

PSHCE

In PSHE this half term we will be looking at differences between males and females. The children will also consider appropriate and inappropriate touch and identify trusted adults at home and in school.

COMPUTING

In Computing we will be learning how to create a document for a purpose. This will involve the pupils writing a letter to their year 4 teacher applying all the skills they have been taught.

SCIENCE

In Science, our unit this half term is on plants. During this time, we will identify and describing the functions of different parts of flowering plants. We will also investigating the life cycle of flowering plants, including pollination, seed formation and seed dispersal.
